

Short cut from Blandford Road Children's Centre.

Starting off at the Children's Centre

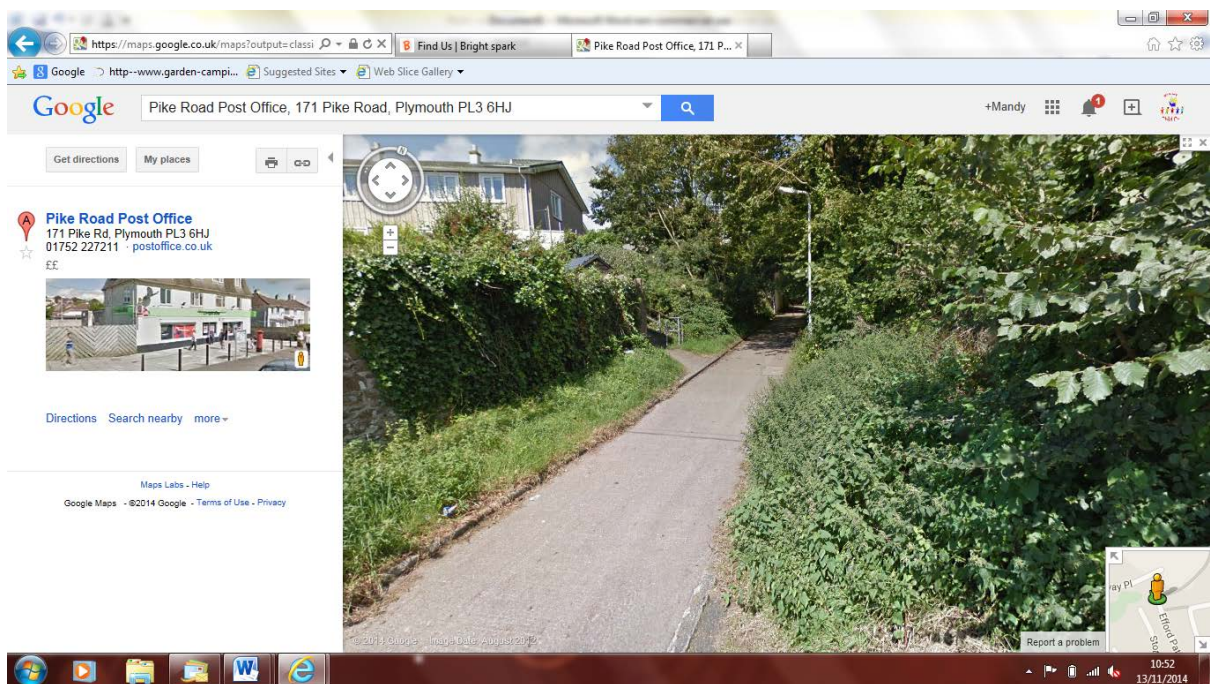

Just past it (where you can see a man standing in the picture) are some steps down to Efford pathway

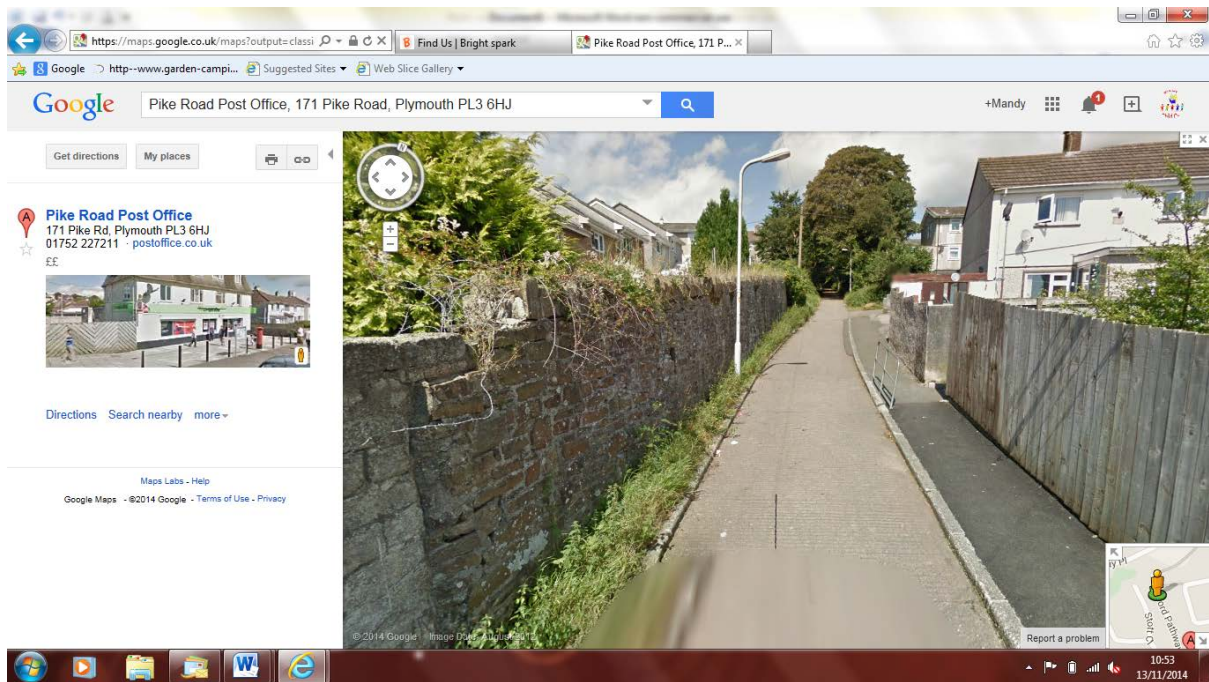

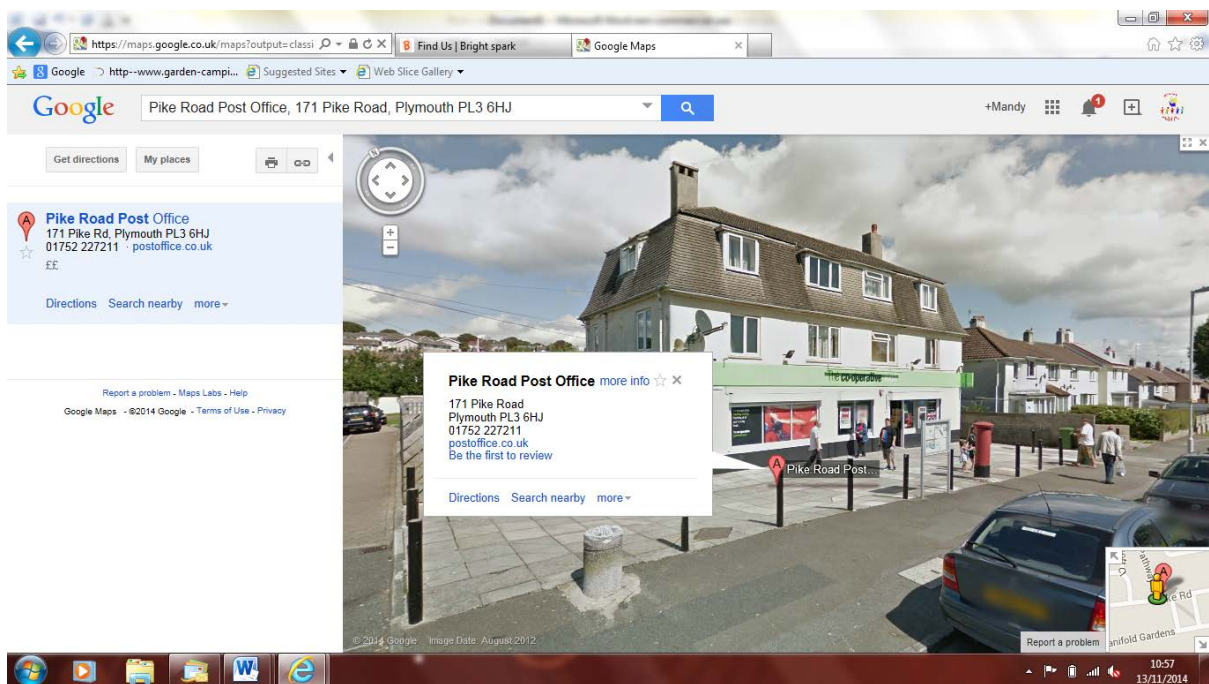

At the bottom of the steps turn right and follow the path down

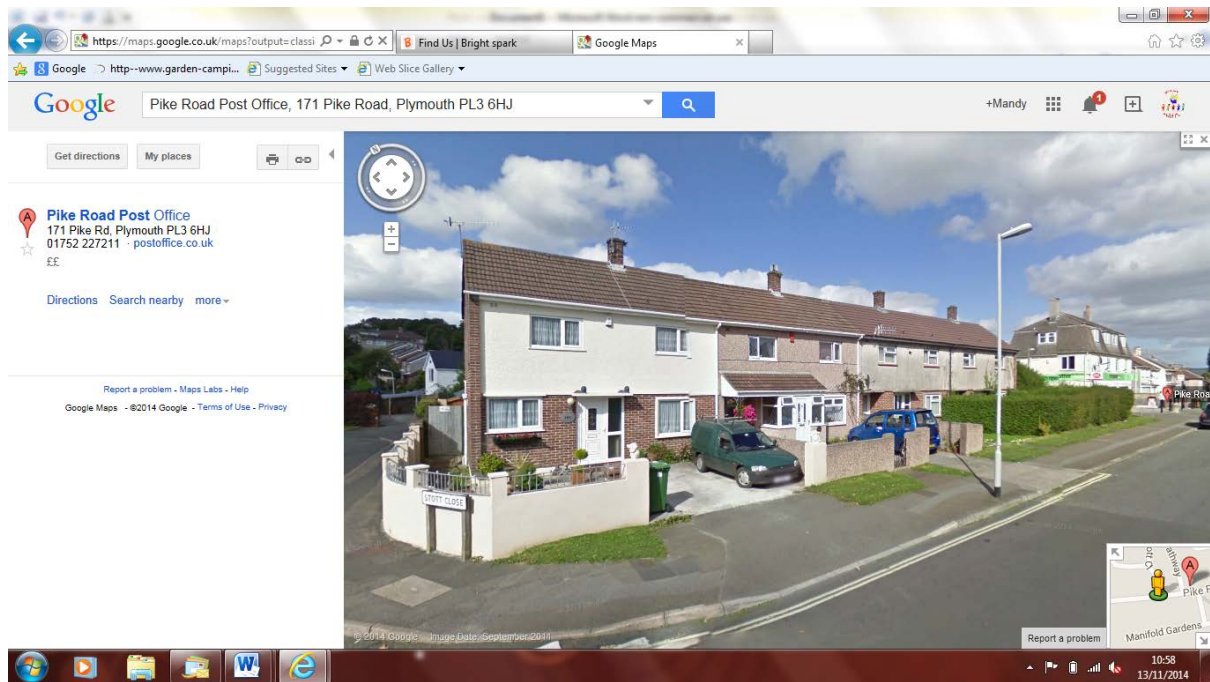

You will go past the pathway on your left to the Thames Gardens park (which we take the children to a lot)

And you will come out by the Co-op (it is a very short walk, takes about 5 minutes)

Turn right and almost immediately right again into Stott close

You can see our sign from the start of the close (we are behind the wall just past the blue car)
